

Manufacturer Declaration

Endress+Hauser GmbH+Co. KG, Hauptstraße 1, D-79689 Maulburg

Being the manufacturer, declares that the product stated below

**Cerabar PMP21 with
process connection “WJJ” flush mounted thread ISO228 G1/2”
sealing acc. DIN3852**

is in conformity with the following provisions:

Standard operating process temperatures: -40°C (-40°F) to 100°C (212°F)

Also usable for process temperatures of 130°C (266°F) for a maximum of 2 hrs duration.

The measurement accuracy at 130°C cannot be guaranteed, however the instrument will recover back to normal operation after applying the temperature within the limits stated above.

This declaration of compliance is exclusively valid for the customer listed in the cover letter of the respective Endress + Hauser Sales Center, and for the listed products and accessory in delivery status. The validity of this document for placing the product on the market expires 3 years after the date of issue.
