

Manufacturer Information

for users regarding software and hardware updates
(following the NAMUR recommendation 53)

1 Type of device

- Field device / signal processing device
- Monitoring- / operation system / hand held terminal etc.

Manufacturer : Endress+Hauser Process Solutions AG

Device : WirelessHART Adapter SWA70

Type : 71089201

Fieldbus / Interface : Fieldbus
WirelessHART / HART

Device Type
0x11F0

2 Firmware, Hardware I

- Firmware
- Hardware I

Old firmware version : 02.40.00

New firmware version : 02.40.01

How can the previous Firmware / Hardware I version number be identified:

Firmware version number can be identified with the plant asset management tool
“FieldCare” and the device driver.

Description of the modification in comparison with the predecessor version:

1. Improved error handling on the communication interface between the field device and the adapter

Manufacturer Information

for users regarding software and hardware updates
(following the NAMUR recommendation 53)

3 Compatibility (Firmware, Hardware I)

Is the new Firmware version compatible with the previous version, the installed device drivers, the operating tool compatible / is the new Hardware I version compatible with the previous version?

- Yes
 No, description:

Is a Firmware / Hardware I update generally recommended?

- Yes, reason:

1. Improved error handling on the communication interface between the field device and the adapter

- No, reason:

4 Instruction manual

Is a new instruction manual necessary due to the modification of the software?

- Yes
 No

Which manual corresponds to the new firmware:

| Device | Communication options | Manual | Marking |
|--------|-----------------------|------------------------------------|-------------------------------|
| SWA70 | HART/WirelessHART | BA00061S/04/EN/21.18 PV02.40.xx | WirelessHART Adapter SWA70 |

The new instruction manuals can be referred in Internet:

<http://www.endress.com> - area „DOWNLOAD“
- declaration of the device and kind of manual

5 Price

Change in price of device in comparison with the predecessor version?

- Yes, new list price and update costs (without installation) are enclosed
 No
