

# Special Documentation

## **Change of Directives**

# 1 Document function

This manual is an integral part of the Operating Instructions and provides information on directive changes of the CE mark, the Ex approval, pressure equipment directive and measuring instrument approval.

## 2 Certificates and approvals

### 2.1 CE mark

Documentations (TI, BA) refer currently to EC Directives.

These will be replaced by EU Directives from 04/20/2016.

### 2.2 Ex approval

Directive 94/9/EC (ATEX) will be replaced by Directive 2014/34/EU (ATEX).

The declaration of conformity supplied with the measuring device replaces the declaration of conformity contained in the document "Safety Instructions" (XA).

### 2.3 Pressure equipment directive

Documentations (TI, BA) about measuring devices with pressure equipment directive refer currently on Directive 97/23/EC.

This will be replaced by Directive 2014/68/EU from 07/19/2016.

### 2.4 Measuring instrument approval

Documentations (TI, BA) about measuring devices with measuring instrument approval refer currently on Directive 2004/22/EC.

This will be replaced by Directive 2014/32/EU from 04/20/2016.
